Secretary/newsletter editor/web master—Richard Rittmiller (909) 984-0583

Assistant Secretary / News letter editor — Carolyn Hodge (951) 781-8448

## **April '09 Newsletter**

Start Time: 09:01

Members in attendance: 14

---

**Club meeting itinerary:** None at the moment.

---

**Up coming Event(s):** April ... 12 ...Trainer race and Club Meeting ..... Club field.

---

**Old Business:** As discussed at the last meeting we are going to drop the initiation fee temporarily, trial period, to see if that will help draw in more members.

Mr. Hill has been in contact with the San Bernardino county offices about our club relocating to the land fill, that is being shut down I believe, that is right up the road from the field now. It is where San Timoteo Canyon road passes over the train tracks on the south side of the road. If it happens we would be looking at a very large lease reduction, maybe \$1.00 per year for the lease ☺, and the start time for combustion engine aircraft would be dropped also. It was mentioned that the county might pay for most if not all of the improvements to the land fill for our use. We would have to move the pit area covers and the other field structures and equipment but that would be a small price to pay for having a larger flight area with less flight restriction. More on this in future "Chino Flyer's".

John, Harry, Jim and Rick worked on the generator to perform its yearly maintenance check and it works normally. Speaking of John and Jim they brought insulating foam to the field and installed it on the aircraft run up stands to help prevent damage to the wings of our aircraft, thanks John and Jim.

Harry will be setting up a field maintenance work party in the near future, it was going to be this weekend but the rain has canceled that option. He will be bringing out a tractor to prepare the storage container trailer pad for the installation of the storage trailer also for the work that needs to be done on the field, mostly weed control and crack sealing.

---

**New Business:** The following newsletter report is from Carolyn Hodge the assistant club secretary, I was home sick.

What a wonderful day to Fly:

If you are interested in working on the field give Harry a call (909) 795-1104.

The flight stands are working out really good.

President Harry will be going through his list and Richard list to see how we can edit the newsletter down. He asked if some of the members got their newsletter by e-mail and if some of the members got their newsletter by mail.

Al Hess had 2 guests out to take pictures for Model Aviation the AMA magazine. His son Jason and granddaughter Ashley.

---

**Event Report:** Terry's cub fly and swap meet.

We had a large turn out of sellers along with buyers this time at the swap meet, looks like advertising works, along with a lot of Piper Cubs both small and large. Some of the cubs where powered by electric engines with the other's being either glow or gas.

---

**New member(s):** Steve Mc Gill and Shane Newman lets give them a big welcome aboard.

---

**Raffle:** Can of glow fuel. Winner, Jim Wilson. Way to go Jim.

---

**Secretary Report:**

**If you are going to move or change your Email address please let me know.**

If you would like to contribute to the newsletter you can either Email or snail mail me or Carolyn Hodges a letter with the item or items you would like to have published in the newsletter or on the web site. I'm always looking for more content for the newsletter and the web site.

---

**Meeting ended: 09:23**

---

Well that's it for this months "Chino Flyer" hope to see you at the field.

---

Next meeting will be on **Sunday, April 12th**, 0830 at the club field

**L8r's Richard D.**

**My Email address: ramboamt@Verizon.net**
