February '10 Newsletter

Start Time: 08:43

Members in attendance: 15

Club meeting itinerary: None at the moment.

Up coming Event(s): February 7 Trainer race and club meeting Club Field.

Old Business: A proposal was made and a vote was taken to increase the club dues to help in the funding of our club field lease. The club dues have been increased \$20.00 for a total of \$80.00 per year per member. If you have paid your dues at the old amount you will be receiving a reassessment notice showing the amount due of \$20.00. We all know this hurts in this recession but we need to make endeavors to keep our field.

We are still looking at the other locations mentioned in earlier "Chino Flyer's", the Fontana landfill and the Yucaipa location. These are still in discussions with the county people and would not be available until several years down the road. I will provide more information on this as it becomes available.

New Business: This will be my last "Chino flyer" as I will be stepping down as club Secretary / Web master / News Letter Editor. My busy schedule has kept me from applying 100% to the task at hand.

The club will need a new Secretary / Web master / news letter editor so if you would like to help out please contact Harry Hill.

Ralph Buscemi will be taking over as web master. Harry Hill will be the interim Secretary. The club member renewals will need to be sent to Harry so he can make up the member ship ID's for 2010. I will include his mailing address in the membership renewal forms.

Harry Hill has not talked to Mr. Shamir, the park owner, yet but he says that it does look good until September, more on this later.

Al Hess and Steve Day went to the Education meeting at the AMA show and was shown several ways to get kids interested in aviation. One of them was to go to the local school and give demos to teachers so they can intern give

this information to their class room. They even suggested local scout groups and middle school classes. This would require some volunteers to perform this function. More on this in future club meetings and "Chino Fliers"

Event Report: AMA Ontario Convention 2010.

Here we see Mr. Bright talking to some of the visitors to the booth at the AMA show in Ontario.

The club was very visible as we were the one of the first booths seen when people came into the convention center. We did very well on the raffle and had a lot of interest in the club with several people saying they would be coming by to check us out.

The video made for us by Al Hess's granddaughter, Ashley, drew a lot of attention and showed some of the things done at the field. We all owe a big round of applause to Ashley for the great job done.

Soloed pilot(s): None this month.

New member(s): None this month.

Raffle: None this month.
