Start Time: 08:54

Members in attendance: 18

Secretary Report: We need **articles** to place in the newsletter and the web page. They could be building tips, flying tips or just talking about flying, product reports etc. etc. I need these to make the newsletter more interesting and enjoyable to read.

Later on in this newsletter you will read about the Float fly and what has been decided about the use of Prado Park in Chino. It has been brought up at the last meeting about talking to the Gilman springs club about both clubs presenting a Float fly over a complete weekend at, I believe Lake Perris was mentioned. More on this in future issues of "The Chino Flyer".

The trainer races have been receiving very little participation from the other clubs at their club fields with only one to three outside club members coming to our field. So it has been decided to have the trainer races only at our field, open to anyone who wants to participate, the second Sunday of every other month with the race results totaled up at the end of the year to decide the winner of the 2008 Trainer race season.

Club meeting itinerary:

1. Club officer election.

Up coming Event(s): December 7th at 6:00 PM.

Club Christmas party at Home Town Buffet 10910 Foothill Blvd. Rancho Cucamonga.

We not only have a Christmas party for all members and their guests but also a raffle that is open to all participants. We have both male and female prizes at this raffle. Ticket prices are one for \$1.00 and six for \$5.00

Old Business: The continuing storage container saga. Pat Morgan brought to our attention that the Stater Brothers, by his house, has a 40" truck box trailer for sale for around \$300 - \$400. He was given the go ahead to pursue this item and was given the OK to purchase it. So it looks like we will have a storage unit for our stuff at the field. We will need prepare the location for the trailer and modify the trailer lock to make it burglar proof.

New Business: Here are the nominations for club officers:

President Lee Sylvester and Harry Hill, incumbent.

Vice President Terry Talkington and Tom Widmer, incumbent.

Treasurer Rick Ogden, incumbent.

Secretary Richard D. Rittmiller, incumbent.

News Letter Editor..... Richard D. Rittmiller, incumbent.

Webmaster..... Richard D. Rittmiller, incumbent.

Field Marshall John Ferranti and Jim Wilson, both incumbent's.

Advertising officer Larry Hodge.

The people nominated will be voted on at the next club meeting, the December meeting at the field, and will be in office for all of next year unless removed for reason or they wish to step down. So we need you to come out and vote for the officer that you want to represent you in the club.

Other items of interest, Pat Morgan is checking into a larger printer for the club, I believe it was free, so we can do our own printing of the newsletter and other items instead of going to Kinko's and paying them to use their copier all we pay for is the cost of materials.

Rick Ogden will be picking up the 60 size trainer from Pegasus hobbies for the AMA Convention in Ontario in January. This trainer will be raffled off at the show; we will be selling the tickets all three days of the show, with the winning raffle ticket being drawn on the last day of the show. Winner need not be present to win.

Also here is next year's schedule of events. This will be on the back of your 2008 club member ID card and it will also be posted on the club, RC Universe and AMA web site.
