Treasure--Rick Ogden (909) 624-5683

Secretary/newsletter editor/web master --Richard D. Rittmiller (909) 984-0583

October Newsletter

Start Time: 08:42

Members in attendance: 19

Secretary Report: We need articles to place in web page, building tips, product reports etc. etc.

The web site is up with new features. Check it out.

The War Bird Pylon race series is back up on the web site so you can go their and check out what is available to use, Aircraft and engines, and the rules. I will be running the P-82 Twin Mustang so I will need some competition on the course so you will need to come on out with a plane and join the fun.

We will be setting up next years itinerary at the October club meeting so if you have any ideas for events that you would like to present come to this meeting so I can get it up on the web site and RC Universe and sent to the AMA so they can place it on their web site, both the Sanctioned and Un-Sanctioned events, the club swap meet, Cub fun fly's etc. etc.

Club meeting itinerary:

1. AMA Convention display set up.
2. Next year's event calendar.

Up coming Event(s): **September 30** ----- **Float fly** ----- **Prado Park.**
October 21 ----- **War Bird pylon races** ----- **Club Field.**

Old Business: Rick Bass has volunteered to be the club flight instructor with one caveat; it will be by appointment only.

As mentioned above we will need volunteers for the Swap Meet / Piper Cub fly this weekend and for the Float fly at Prado Park at the end of September on the 30th. If you would like to help out let any of the club officers know so we can coordinate the help.

The cost has been estimated for the sprinkler system to go around the runway to be approx. \$300.00 in materials. We are still taking donations to the sprinkler fund, thanks again Warren. We will come up with an installation date in the future.

New Business: The picnic table canopies will be connected together to make one long canopy in the near future. Harry Hill and Lee Silvester are looking into the materials needed and will set up a building date. It looks like the flag pole will be attached to one of the canopy support poles on the north side of the canopy.

When you come out to the filed bring along a shovel so you can knock down some of the weeds coming up along the runway and the pit area.

Terry Talkington will be running another club swap meet and cub fly on December 2nd at the club field. Just in time to sell all of the good stuff you don't need any more and get some stuff you do need and maybe some pocket change to buy raffle tickets at the Club Christmas party on December 7th.

Speaking of the Christmas party has anybody come up with another location for the party to be held at? We have been using the Hometown Buffet on Foothill Blvd. in Ranch Cucamonga but its banquet room is getting pretty small when we get all of the members showing up, well not all but the party keeps drawing a larger crowd every year. If we don't have a new location we will keep using the Hometown Buffet in Rancho Cucamonga.

We need donations for the storage container. We are looking at around \$1200.00 for a forty foot container, this is cheaper than a twenty foot container, The donations will be kept confidential so their will not be any bad feelings because somebody else donated less. All donations can be given to Harry Hill, Richard Rittmiller or Rick Ogden. If you would like to mail the donation send it to Rick Ogden at 10186 Amherst Ave. Montclair, CA. 91763. Please let him know what the money is for. The other discussion about the container centered on a one time assessment placed on all members to come up with the cash needed, but, this was placed on the side to see if asking for donations would work better.

Event Report: Nothing to report at this time. Still waiting for the report to come in from our reporter, he's been busy.

New member(s): **Randy Brown, Brad Rafuse and William S. Sponagle**, Gee, that name sounds familiar, yep "WILD BILL" is back. Let's give these new and old members a warm welcome aboard.

Soloed Pilot(s): **None this month.**

Model of the Month: **None this month.**

Raffle: Sportsman aviation Paramount pattern plane. Won by Pat Morgan. Pat donated the plane to the club to raffle off at the Float fly during the event. Thanks Pat.

Meeting ended: 09:15

Hints and Tips: Nothing new this month.

Product Review: None this month.

For sale/Wanted:

Car top aircraft or ? carrier.

This fits on the top of your car. It was used on a Honda Civic hatchback but it will fit any size car of the same size or larger. This is built with welded aluminum framework with plywood outer sheeting. It has rubber feet so that it will not damage the top of your car and a locking latch to protect the contents of the box. Box size: Outer dimensions Length 66", Width 42" and Height 21". Inner dimensions: Length 54", Width 39 ½", Height 13".

Price reduction Asking \$100.00 plus shipping.
