

Fisherman's Retreat

April 05, 2009

The picture tells it all. High winds at the field on Sunday kept us all grounded. It did give us a chance to talk about next Sunday being Easter Sunday and many of the members will be spending the day with their family. So we decided to move the meeting to the next Sunday along with the trainer races. I'm not sure how we got so far along on the calendar without noticing Easter being a meeting day and a race day but we did. So if you don't have any family obligations and want to come out and fly then someone will be at the field, but don't worry about missing a meeting or race if you are spending the day hunting Easter eggs.

So the meeting and race will be held on Sunday April 19th. Get your forty sized trainer ready and come race with us. Also check the back of your membership card to see what events are coming up in the future. In the next couple of months we have a funfly, a glider contest and more racing.

Happy Easter everyone.
