

Fisherman's Retreat

February 03,2010

As I reported in my last newsletter the convention was a great success for the club. The raffle was won by a you man named Tim Taylor. He bought his ticket on the first day.

Thanks goes out to Tom Bright for making the trip to deliver the prize to Mr. Taylor.

Tom is getting busy with a new student pilot. Anthony Vega joined the club and the AMA and is getting busy with Tom and the club trainer. Anthony is taking an aeronautics course at Cal Poly Pomona and has to be able to design and fly a plane in a wind tunnel test. His neighbor, club member John McKee, suggested he call me to make arrangements to learn to fly. Anthony borrowed John's flight simulator and has spent a lot of time learning the basics and now he is getting some real time experience. Welcome aboard Anthony.

Wild Bill is getting out of the hobby and had Larry Cass bring some of his big planes to the field to help sell them. He is selling them for basically the cost of the engines. I for one am sorry to see Bill leaving us but I understand his reasons. If you are looking for a big aerobatic plane contact Larry to see what is left.

I am confused about our upcoming meeting and race, I thought they were being held on the 14th as that is the second Sunday of the month but I see on our web page it is this coming Sunday, the seventh.

Don't forget we will also be having a special race series for the Parkzone T-28 and other Parkzone warbirds in the same class. Don't forget your hardhats as all race competitors are required to wear one.

Just in case the race and meeting are on the seventh bring your trainer and T-28 and be at the club at 08:30.

Ralph Buscemi is now working on the web page. If you have any suggestions for him contact him at ralphbuscemi@att.net . I have been receiving some dues and Richard will send me the list of who he has received dues from. This Sunday I will turn what I have over to Rick Ogden then we will send out late notices to whoever hasn't paid. I have to get a correct list to the AMA by March 01 and anyone who hasn't paid their dues will be dropped from the roster. After that point you will be required to pay the initiation fees and dues in order to rejoin the club so please make sure I know you have paid before the end of February. You can e-mail me or send your dues to
